Examiner Mr. Jason M. Sims

Art Unit: 1631, Technical Center 1600,
Commissioner for Patents, USPTO,
P.O. Box 1450, Alexandria VA 22313-1450.

Dear Examiner Mr. Jason,

Please find the enclosed Facsimile Transmission Cover Sheet of March 31, 2008. I have not received the fax as indicated in the Cover Sheet, resulting in the claim of the US patent application (Application No.: 10/810,296) not being changed or amended according to the fax.

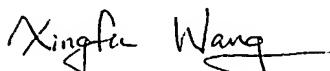

Based on the enclosed *Office Action Summary* issued by Primary Examiner Dr. John S. Brusca on February 20, 2007, the examiner has acknowledged that the claims 1-10 are allowed; this application is in condition for allowance except for the following formal matters: Each of claims 11-18 is in improper multiple dependent form; the rejection of claims 1-18 under 35 U.S.C 101 has been withdrawn; and prosecution on the merits is closed in accordance with the practice under *Ex part Quayle*, 1935 C.D. 11, 453 O.G. 213. The improper multiple dependent form of claims 11-18 has been amended according to the enclosed *Interview Summary* issued by Primary Examiner Dr. Lori A. Clow on

August 20, 2007, wherein each of all dependent claims only references or depends from one claim and the text of claim of the application is unchanged. Several words in claim 1 have been changed according to the Fax issued by Primary Examiner Dr. Lori A. Clow on December 5, 2007. Some words have been added into claim 2 according to the enclosed *Interview Summary* issued by Examiner Mr. Jason M. Sims on December 27, 2007. Based above several office actions, it is unnecessary to amend further the claim of the application after the text and form of the claim have been allowed by the two primary examiners of USPTO. Most nation patent offices including the International Bureau of international application do not allow further amendment to the claim once it is accepted by the examiner.

The US application has been over 4 years since filed March 27, 2004. The application as an international application has entered the final examining stage in PCT national phases including EP, AU, CA, CN, JP, RU, IN, etc. The applicant sincerely appreciates it if the notice of allowance is issued in this case soon.

Thank you for your consideration and I am looking forward to hearing from you.

Sincerely,

Xing F. Wang, Ph.D.
Applicant
